Basoa Planter, 210 litres

BAJA0210

The BASOA Ø90 x h38 cm planter (210 litres) is the most compact format in the family. A sand-finished fibreglass planter manufactured by our partner Pro Urba, far more resistant than conventional concrete and frost-resistant. Its low, circular form adds generous green masses to squares and promenades. Available in 10 colours, with optional irrigation system, drainage holes, lifting hooks and anti-graffiti coating.
